Buying Tickets Safely Online

Dear resident,

Every music and sports fan knows that often, tickets for gigs, festivals, big games and tournaments sell out very quickly. To avoid disappointment this summer, you might turn to social media, online marketplaces or fan forums to look for tickets. You may get lucky, or you may get scammed, which is even more disappointing as not only do you miss out on tickets, you also lose your hard-earned money.

In a ticket scam, the seller tells you they'll post or email the tickets as soon as you've transferred the money to their bank account. But when you try to contact them after nothing's arrived, they've disappeared into thin air. Chances are, dozens of other people have fallen victim to the same fraud.
