

## Horse Watch

If you see something that you think is suspicious, please call [101](#) or your Horse Watch coordinator. If a crime is in progress, call [999](#) now.

Horse Watch works with the police to help detect and prevent horse crime. The scheme connects owners and riders so information can be shared quickly.

As a member you'll have other members watching out for you and your property.

You'll also get information on:

- local property marking sessions
- other events
- other local Horse Watch schemes and general preventative information
- general crime prevention
