

Drug Arrest

On Monday 11th March a car failed to stop for police officers from the Roads Policing Team in Bodmin. Following a pursuit, the vehicle was brought to a safe stop on Launceston Road shortly before 11pm. A large quantity of suspected cocaine was found within the vehicle and seized by police.

A 26-year-old man and a 16-year old girl, both from Derbyshire, along with a 39-year-old woman from Newquay have been arrested on suspicion of possession with intent to supply a Class A drug. They remain in police custody at this time with enquiries ongoing.
