#### **Minutes of the meeting held on 8<sup>th</sup> October (Attached)**

The minutes were agreed as a true record of the meeting.

#### **Matters Arising**

Window Frames – the weather has been too bad to really do anything about them.

Oil – The oil has been delivered.

Oil Tank – Francis Thomas will be having a look to see if it is something he can make.

When the Christening was held, a person was trapped in the toilet. The stub in the door lock snapped. Len will repair this in the near future.

## **Treasurer's Report**

Ron circulated his report (attached) Deficit has only gone up by £13 since his last report due to the income from two events.  
There is still some beer which can be sold.  
Thanks was given to Ron for his report.

## **Carn to Cove 12<sup>th</sup> October**

A member of the village has offered to take over the Carn to Cove arrangements, the meeting agreed that this would be a good idea and she will be approached.  
Ingrid will contact Carn to Cove and copy Pat into the email.

## **Village Hall – 90 years 26<sup>th</sup> October**

Ingrid gave feedback, although there weren't as many people at the barn dance had been hoped for, everyone had really enjoyed the event. The afternoon tea on the Sunday was very well attended and again everyone really enjoyed themselves. Particular thanks went to Ingrid for all her input into the events. Rick, Edith and Mary will come up to the hall to take down the bunting from the main hall.  
It was agreed to hold another afternoon tea with an Easter theme on Sunday 5<sup>th</sup> April 2020. The signwriter who had updated the date of the sign in the village hall had not presented a bill and it was agreed that a bottle of wine be sent to him in appreciation of his work.

## **Promotional video / Facebook Page**

Ingrid had been in touch with the person who had been filming the promotional video but due to other commitments the person had been unable to complete the film so it was decided not to continue with the project. The idea of using still photographs merged together would be a good idea. Ingrid will contact Maddie to see if he is able to help.

## **Hall Maintenance**

The toilet door still needs to be fixed. The toilet is still making a noise but only intermittently.  
The window frames need to be looked at again once the weather improves.

## **A O B**

Ingrid had circulated the information about village hall week next January. (20<sup>th</sup> – 26<sup>th</sup>). It was agreed that Len would compose a piece to put in the January Parish Magazine promoting village hall week and events that happen in the village hall. He would also be asking what people would like to see being held in the hall. Keith had been in touch with Len as the art club had left the heating turned up and the garden club had left on a light. It was agreed that there will be a sign on each door, 'Have you turned the heating down to 15degrees and turned off the lights otherwise extra charges may apply'

Keith Lowden had forwarded information about reinstating the St. Pratt's day celebrations. We can offer the village hall for use. There is to be an initial meeting on Friday 6<sup>th</sup> December at 7pm in the Institute, Mary agreed to attend with Sandra and Len.

### **Date of Next Meeting**

7<sup>th</sup> January 7pm in the Manor Suite.

The meeting closed at 8.15pm with thanks to all for attending.
